Swanton, Ohio | 567-329-9447 | siddheshmahadik141295@gmail.com | linkedin.com/in/siddheshmahadik | Green Card holder, authorized to work

---

Product-minded builder with six years of experience across enterprise procurement, quality, analytics, and software product development. MBA in Information Systems with hands-on work in SAP S/4HANA, sourcing, compliance, dashboards, and full-stack SaaS delivery.

## EXPERIENCE

---

### Founder & Builder, Mahadik Digital Solutions

Jun 2024 – Present

Swanton, Ohio

- Designed, built, and shipped BarTop, a tournament SaaS for bars using Node, Express, Supabase Postgres, SSE, and Stripe.
- Building MMAWA, an AI-powered web app generator deployed on Cloudflare Pages and Workers.
- Own product, design, frontend, backend, payments, and deployments across a modern full-stack environment.

### Senior Quality Assurance Specialist, Honda Trading America Corp

Nov 2023 – Jun 2024

- Led SAP S/4HANA implementation work focused on supplier management and optimization.
- Conducted compliance audits across raw materials operations and improved processes with Lean Six Sigma methods.
- Developed Tableau and Power BI dashboards to improve supply chain visibility.

### IT Student Assistant, The University of Toledo

Aug 2022 – May 2023

- Supported IT operations, systems administration, reporting, and infrastructure projects.

### Sourcing Analyst, GEP Worldwide

Feb 2022 – Jul 2022

Mumbai, India

- Executed direct-material sourcing strategy and supplier operations for annual budgets above \$50M.
- Optimized procurement processes and led cost-reduction initiatives across a global supplier network.

### Process Associate, GEP Worldwide

Jun 2018 – Feb 2020

Mumbai, India

- Managed Procure-to-Pay operations, processing 500+ monthly orders at 99%+ accuracy.
